

LF-MA41402 anti-Cathepsin L2 (BV55-1)

Product Name

anti-Cathepsin L2 (BV55-1)

Pack Size

50 ug

Description

Mouse monoclonal to Cathepsin L2

Immunogen

Synthetic peptide (Synthetic peptide surrounding amino acid 21 of human cathepsin V.)

Clonality

Monoclonal Antibody

Host

Mouse

Clone#

BV55-1

Isotype

IgG1

Cross Reactivity

Hu

Application

WB (1 - 4 ug/ml)
IHC-P (10 ug/ml)

Concentration

1 mg/ml

Research Area

[Cytoskeleton](#)

Function

Cysteine protease. May have an important role in corneal physiology.

Cellular Location

Lysosome

Database Link

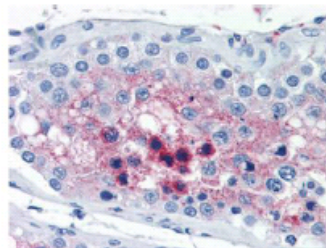

SwissProt : [O60911](#)

Composition

PBS, 30% glycerol, 0.5% BSA, 0.01% Thimerosal.

Storage

Image

IMMUNOHISTOCHEMICAL ANALYSIS of testis
(Formalin-Fixed Paraffin-Embedded)

Store at +4°C or -20°C, Aliquot to avoid repeated freezing and thawing.
