

HERV Antibody

Unit Size

0.1 mg

Concentration

1.0 mg/ml

Storage

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

Applications

WB

Species

Human

Host

Rabbit

Clonality

Polyclonal

Isotype

IgG

Purity

Immunogen affinity purified

Preservative

0.02% Sodium Azide

Specificity/Sensitivity

Human Endogenous Retroviruses (HERVs), a class of multiple-sclerosis-associated retroviruses

Immunogen

Synthetic peptide corresponding to residues 42-50 [QRPGNIDAPC] of the HERV protein.

Recommended Dilutions

Western Blot ,

Buffer

PBS

Uses

This antibody is useful for Western Blot.
