

DATA SHEET

Datasheet: 4470-2189

Description:	RABBIT ANTI HUMAN FIBRONECTIN
Specificity:	FIBRONECTIN
Format:	Serum
Product Type:	Polyclonal Antibody
Isotype:	Polyclonal IgG
Quantity:	1 ml

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information.

	Yes	No	Not Determined	Suggested Dilution
Flow Cytometry			■	
Immunohistology - Frozen			■	
Immunohistology - Paraffin			■	
Immunohistology - Resin			■	
ELISA			■	
Western Blotting	■			1/300 - 1/400
Radial Immunodiffusion	■			

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

Target Species	Human
Product Form	Serum - lyophilised
Reconstitution	Reconstitute in 1 ml of sterile distilled water. For long term storage the addition of a preservative is recommended.
Preservative Stabilisers	None present
Immunogen	Purified human fibronectin
External Database Links	UniProt: P02751 FINC_HUMAN Related reagents Entrez Gene: 2335 FN1 Related reagents
Synonyms	FN
Specificity	4470-2189 is specific for human fibronectin and does not cross react with the following serum proteins: C-reactive protein, cytochrome C, fibrinogen, IgG, hSA, transferrin, haptoglobin, α -1-antitrypsin, lactalbumin, α 1-acid glycoprotein, antithrombin III, α -2-macro-globulin, plasminogen, ceruloplasmin or apolipoproteins A1, A2 or B.
Storage	Store at -20°C only. Storage in frost-free freezers is not recommended. This product should be stored undiluted. Avoid repeated freezing and thawing as this may denature the antibody. Should this product contain a precipitate we recommend microcentrifugation before use.

Shelf Life 12 months from date of reconstitution.
