

T848 **Tryptose, Enzymatic** **Hydrolysate of Protein**

Synonym: Trypticase
CAS: N/A
Formula: N/A
Molecular Wt: N/A

Properties

Form: Powder
Appearance: Beige to Tan Powder
Application: Microbiology
Solubility: Water
Typical Working
Concentration:
Storage Temp: Room Temperature
Storage Temp of
Stock Solution:
Other Notes: Plant Tissue Culture Tested
Animal Derived - BSE Free

Application Notes
